

Gaining Public Liability & Professional Indemnity Insurance For Peaceful Kids & Peaceful Parents Licences

It is up to individuals to have a conversation with their insurer to make sure they are aware of what work you are doing so you have the right cover. The information below is given just a guide and a starting point and Wellbeing For Kids Pty. Ltd. takes no responsibility for individuals or businesses gaining their own insurance or the quality of the insurance. As everyone's qualifications are different, it is up to the individual to source the correct cover that reflects the work you are planning to do and the qualifications that you have.

Here are some possible companies that could provide both Professional Indemnity and Public Liability insurance:
